# Meet The Innovator

Mr. Shibulal
Co-Founder and COO of Infosys

SD Shibulal is the Chief Operating Officer and one of the seven co-founders of Infosys Technologies, Ltd. - a global consulting and software services powerhouse. Shibu has over 25 years of leadership experience in the area of IT Outsourcing, spanning across sales, delivery, operations, technology and management. He has played a pivotal role in the Infosys journey and a signal role in the evolution of the Global Delivery Model, which is now the de facto industry standard for delivery for outsourced IT services.

Shibulal received a master's degree in Physics from the University of Kerala and an MS in Computer Science from Boston University.

Infosys®
